

Auburn PS - School Behaviour Support and Management Plan

Overview

Auburn Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning.

Our goal is to ensure every child is known, valued and cared for by inspiring each child to participate positively in the school community and beyond. We focus on creating opportunities for success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

Principles of positive behaviour support, trauma-informed practice, inclusive practice, and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

To achieve our mission, key programs prioritised and valued by the school community are:

- Positive Behaviour for Learning (PBL)
- Like Skills and Life Skills Go

Auburn Public School has clear guidelines that rejects all forms of bullying behaviours, including online (or cyber) bullying and racism by maintaining a commitment to providing safe, inclusive, and respectful learning community that promotes student wellbeing. The school fosters an active promotion of positive behaviour, personal responsibility, mutual respect and valuing of difference as key strategies to prevent bullying. Staff are committed to establishing evidence-based approaches, access to services and programs to support implementing strategies that promote a positive environment where bullying is less likely to occur.

All members of the school community are welcomed and embraced to be active participants in building school culture that values diversity and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff are proactive in implementing strategies, plans and support structures to mitigate and respond to student bullying behaviour.

Partnership with parents and carers

Auburn Public School invite partnerships with parents and carers in establishing expectations for engagement in developing, implementing and evaluating student behaviour management and anti-bullying strategies by:

- Inviting parent/ carer and student feedback through formal and informal means, such as Tell Them From Me surveys, school surveys, parent teacher interviews, community playgroup sessions, and the School Bytes parent portal.
- Consulting with other school community members through organised meetings, such as parent information sessions to inquire, provide feedback and raise concerns relating to school systems, data and practices.

Auburn Public School communicates these expectations to parents/carers through the school newsletter, website, School Bytes and SENTRAL. Our school provides multiple opportunities and platforms to encourage the building of collaborative relationships with families and communities to create a common understanding of how to support student learning, safety and wellbeing.

Behaviour Code for Students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour code for students.](#)

Whole school approach across the care continuum

Our school embeds evidence-based practices to support student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying, racism and cyber-bullying behaviour.

These approaches and strategies are built on a foundation of evidence-informed effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- Explicitly modelling, stating and teaching classroom expectations
- Establishing predictable routines and procedures that are communicated clearly to students
- Communicating expected behaviour with positive feedback and reinforcement
- Discouraging, prompting and redirecting students to prevent inappropriate behaviour
- Actively supervising students
- Maximising opportunities for active engagement with learning
- Providing carefully sequenced authentic and engaging lessons that offer high challenge, differentiated lessons to deliver an inclusive and challenging curriculum.

Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

Auburn Public School embeds student wellbeing and positive behaviour approaches and strategies across the care continuum and responds to behaviours of concern, including bullying and cyberbullying behaviour. Behaviours that do not constitute bullying include mutual disagreements or isolated incidents.

Responding to Positive Behaviour

5. BEHAVIOUR MANAGEMENT PLAN

a) STRATEGIES TO PROMOTE POSITIVE BEHAVIOUR AND EFFECTIVE LEARNING RATIONALE

At Auburn we reward positive behaviour and encourage and celebrate participation, effort and achievement in all areas of school life.

Our school-based reward system is through our levelled Awards across K-6. Currently, children gain the first award for outstanding:

- Achievement
- Understanding
- Brain power
- Useful enterprise
- Reliability
- No to Bullying

With the PLB (Positive Behaviour for Learning) behaviour system, students are also rewarded with awards for being *Safe, Respectful* learners in our playground and in all other non-classroom settings. Each time a student collects 10 awards, the student also earns a Levelled award. They are also eligible to attend a special event at the end of each term. The new Award achievement levels are as follows.

10 Awards = 1 Level

White Awards are awarded to remind students that they have received 10 Blue Awards and are an incentive to keep striving towards the next award level.

20 Awards = Achievement Award

Students will be presented an Achievement Award at an Assembly. These Assemblies occur each fortnight and parents of eligible students are invited to attend and share the celebration.

30 Awards = Ribbon and photo in hall

Students will be presented a ribbon and have their photo taken at an Assembly. These assemblies occur each fortnight and parents of eligible students are invited to attend and share the celebration.

40 Awards = Pen Award

The Pen Award is the milestone that we hope the majority of our students will strive to achieve by the end of the year. Pens are also presented at Assemblies.

50 Awards = Badge Award

The Badge Award is an acknowledgement that the recipient has progressed a substantial way and also gives students the incentive to keep striving to earn Blue Awards. Badge Award certificates are presented at Assemblies.

60 Awards = Principal Medal

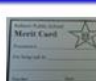

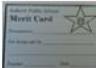

The Principal Medal recognises the students who progress through our system at an outstanding rate, based on their Participation, Effort, Achievement, Reliability, Citizenship and Enterprise. These are presented at special Assemblies.

70 Awards = Morning Tea with the Principal.

MERIT CERTIFICATES and PBL CERTIFICATES (K-6)

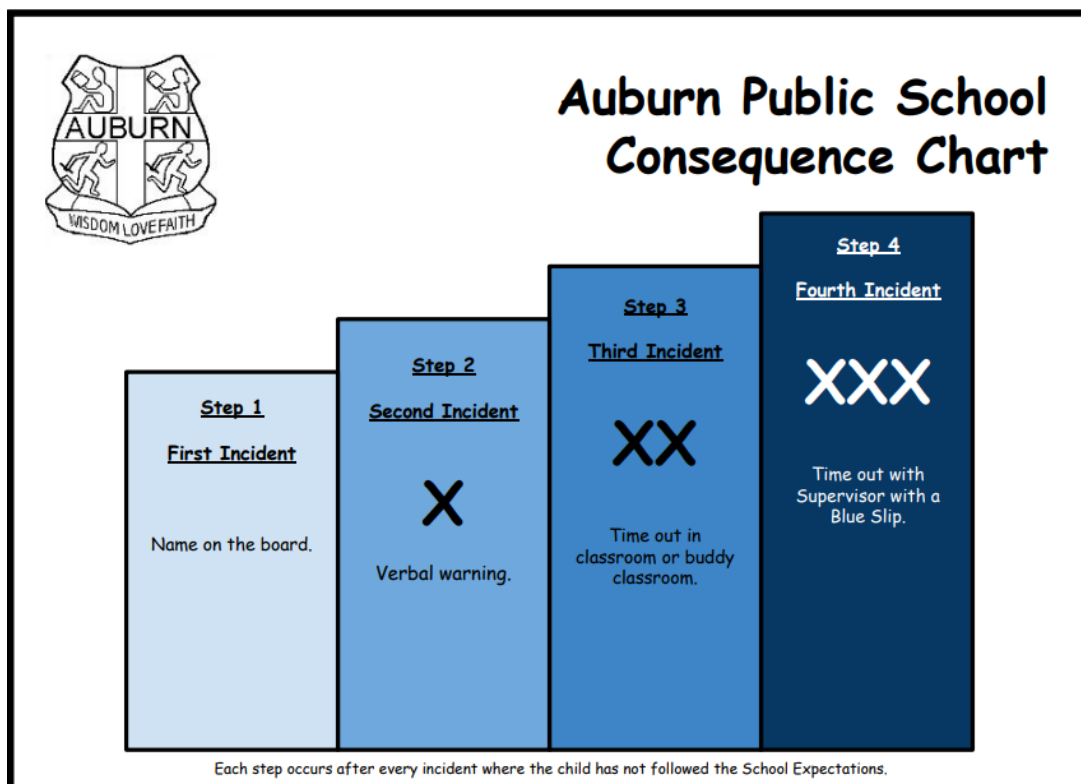

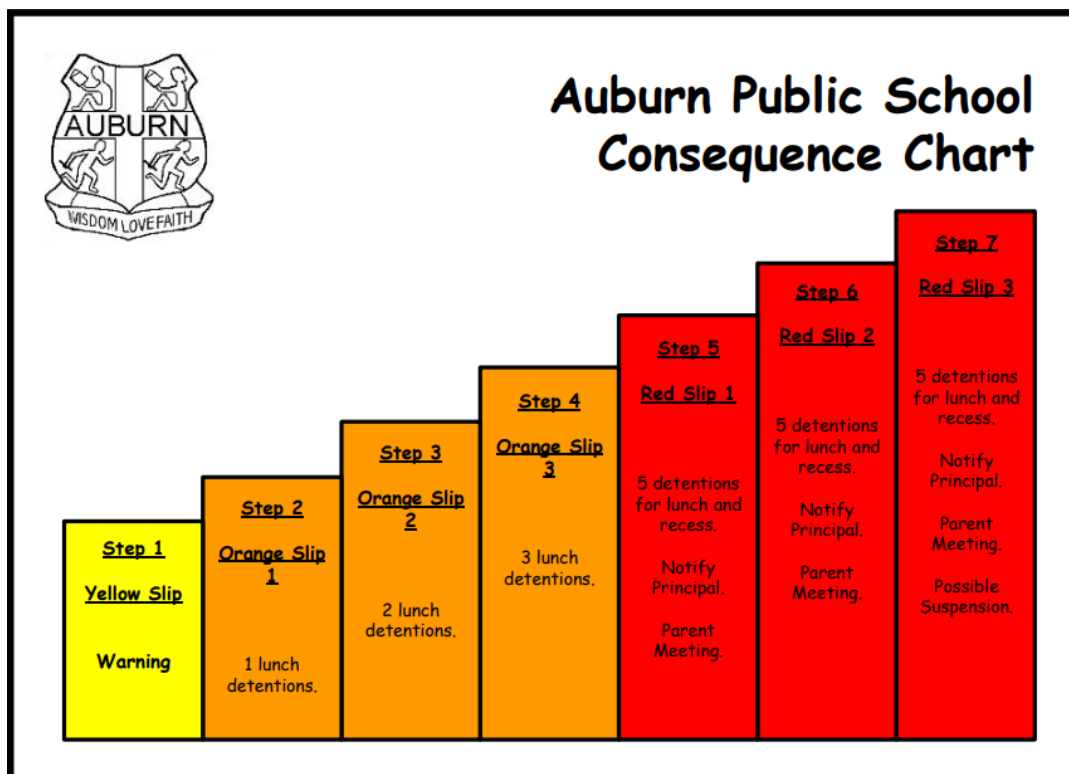

Class teachers award merit and PBL certificates to the children in their classes who have performed well in their class. These awards are given for many reasons. These are presented at the Assemblies to ensure every child receives at least one during the year.

Roles and responsibilities with Anti-Bullying at Auburn Public School

Schools exist in a society where incidents of bullying behaviour may occur. Preventing and responding to bullying behaviour in learning and working environments is a shared responsibility of all departmental staff, students, parents, caregivers and members of the wider school community.

School staff have a responsibility to:

- respect and support students
- model and promote appropriate behaviour
- have knowledge of school and departmental policies relating to bullying behaviour
- respond in a timely manner to incidents of bullying according to the school's Anti-Bullying Plan.

In addition, teachers have a responsibility to:

- provide curriculum and pedagogy that supports students to develop an understanding of bullying and its impact on individuals and the broader community.

Students have a responsibility to:

- behave appropriately, respecting individual differences and diversity
- behave as responsible digital citizens
- follow the school Anti-Bullying Plan
- behave as responsible bystanders
- report incidents of bullying according to their school Anti-Bullying Plan.

Parents and caregivers have a responsibility to:

- support their children to become responsible citizens and to develop responsible online behaviour
- be aware of the school Anti-Bullying Plan and assist their children in understanding bullying behaviour
- support their children in developing positive response to incidents of bullying consistent with the school Anti-Bullying Plan
- report incidents of school related bullying behaviour to the school
- work collaboratively with the school to resolve incidents of bullying when they occur.

All members of the school community have a responsibility to:

- model and promote positive relationships that respect and accept individual differences and diversity within the school community
- support the school's Anti-Bullying Plan through words and actions
- work collaboratively with the school to resolve incidents of bullying when they occur.
